Greetings,

The National Wild Turkey Federation (NWTF) is dedicated to the conservation of the wild turkey and the preservation of our hunting heritage. The mission of the NWTF is no less urgent today than when it was founded in 1973. We're losing 6,000 acres of habitat every day. Hunters fund conservation but now we're at the point where less than 10 percent of the American population hunts, so the funding source is going away. We know we can't solve this alone. It's bigger than one organization. The NWTF is leading a collaborative effort to solve the problem with the Save the Habitat. Save the Hunt. initiative, and our contribution is our dynamic volunteer base.

The Tri-County Strutters is a local chapter of the NWTF and we are hosting our 2020 annual hunting heritage banquet. This is our largest fundraiser which not only supports the local chapter, but helps the state and national organization continue its preservation and educational goals.

The banquets attract more attendees each year, but we depend on the added support of our friends in the business community who supply us with exciting auction items and sponsorship. Would you be willing to donate a gift certificate, merchandise from your business, or simply make a monetary donation to assist us?

Someone from our committee will be contacting you to discuss your contribution and to share information about individual and group tickets to the banquet. It is a win/win situation when we benefit from your donation and you receive the goodwill which comes as a result of your generosity. Our organization's ability to continue to operate is due in large part to the generous support of individual donors who believe in our mission, as well as gifts from businesses and corporations.

Thank you for considering our request.

Gratefully yours,
